iCHIROPRO THE SMART WAY TO YOUR SUCCESS

iCHIROPRO SET WITH
CONTRA-ANGLE CA 20:1 L
MICRO-SERIES*

Ref. 1700440-001

\$ 6995

FREE

1 iPad 2 WI-FI (16 GB)

***Offer comprises:**

- 1 CA 20:1 L Micro-Series
- 1 iChiropro unit
- 1 MX-i LED micromotor
- 1 MX-i LED cable
- 1 3-button foot pedal
- 10 irrigation lines
- **FREE: 1 iPad 2 WI-FI (16 GB)**

The only control system offering the pre-programmed clinical sequences of the seven biggest implant brands is now available with a dedicated application for touchscreen tablets. Discover the perfect working balance between your iPad* and exceptional electronics for controlling the MX-i LED micromotor. The most powerful motor on the market, with LED lighting guaranteeing a very long service life, is now also equipped with ball bearings that are lubricated for life, with no further lubrication needed. The 20:1 L Micro-Series contra-angle and the new iChiropro system redefine ergonomics and ease of use.

iChiropro – The smart way to your success.

* compatible with iPad, iPad 2 and the new iPad (3rd generation)

Transport and local taxes not included.
The images of Bien-Air devices are not contractually binding

iCHIROPRO APPLICATION

FREE APPLICATION AVAILABLE
FOR IMPLANTOLOGY

MULTI-USERS

The iChiropro application has been designed for managing multiple users, storing individual settings for each.

PATIENT FILE

This new function means that it is now possible to store important data of your patients' treatment. You can also export this information.

PRE-PROGRAMMED SEQUENCES

The iChiropro incorporates seven of the leading implant systems on the market with their complete sequences. These can also be customised to suit the needs of each user.
